

**Northern Spirit Regional Council
Nominations Committee Report
2020 Members and Vacancies**

There is room for you ...

The Nominations Committee works throughout the year to find people from all over the Northern Spirit region to fill vacancies on the Executive, Commissions, Committees and Task Groups, with the use of a rolling nominations process.

A rolling nominations process seeks out and invites nominations for vacancies as they arise, rather than waiting to fill them via nominations from the floor of an Annual Gathering. In the rolling nominations process, the nominations are presented to the Regional Council Executive for approval, and a yearly report is presented for ratification at each Annual Meeting.

It is important to note that for a rolling nominations process to work fully, the Nominations Committee needs information about the range of gifts, skills, interests and capabilities present among the members of the Regional Council. An [Interest and Gifts Profile](#) has been posted to the Regional Council web site. To assist with this, please feel free to complete the profile and send it to the Regional Council Office: by email to northernspirit@united-church.ca, or by post to 13535 122 Avenue NW, Edmonton AB T5L 2V7.

It is important to note that the Nominations Committee attempts to follow the diversity parameters established by the General Council of The United Church of Canada as well as the Calls to the Church by the Caretakers of our Indigenous Circle. Therefore, to the best of our ability, we make an effort to represent a diversity of identities, lenses and geography among nominees to positions.

The following is a list of the people serving the work of the Regional Council. Where noted, there are vacancies (highlighted in **red**). If you, or someone you know, is interested in playing a role as the Regional Council continues to develop its mission and ministry, please contact the Regional Council Office. There are a variety of opportunities available.

Where do you feel called?
