### Regional Council Annual Meeting Updates ...

#### **3<sup>rd</sup> Annual Regional Council Meeting: The Countdown is On!**

The Regional Council is meeting, online via Zoom, next week, on the evenings of **Tuesday and Thursday, May 4 and 6, 2021**. Those who have registered to attend the meeting, should now have received a Confirmation Email. If you have registered, and have not received an email with the Zoom links and other information, please contact the Registrar ([kjackson@united-church.ca](mailto:kjackson@united-church.ca)).

The Registration Form link has been sent to Communities of Faith, Ministry Personnel, and known Elected Lay Representatives. If you have not received the link to register for the meeting, please contact your Community of Faith, or the Registrar.

As further details about the Annual Meeting unfold, they are being posted, along with the Annual Meeting Workbook, on the Annual Meeting page of the Regional Council [web site](#).

#### **General Council 44 Commissioners: Job Description and Invitation**

The Regional Council is still seeking people to serve as Commissioners to the 44th General Council, to be held online in 2022. Although 2022 seems like it is still a long way into the future, the deadline for the submission of Commissioners' names and contact information to the General Council Office is in June 2021. Thus, the Northern Spirit Regional Council will elect its Commissioners at our Annual Meeting, **May 4 and 6**. [Have a look at the full details here](#). Please help by spreading the word, and directing yourself and other interested persons to the [Nominations Form](#). Even if you, or a good candidate you know, have limited internet or older equipment, do not let that keep you from applying or from encouraging others. General Council planning will include accessibility for a video meeting.

#### **Pentecost Service for the Whole Regional Council**

Join Northern Spirit Region on **Sunday, May 23**, for a Pentecost service! Led by ministers and lay people from across our region, this service shares the theme of the Regional Council Annual Meeting (May 4 and 6): "Loving Our Neighbour and Ourselves." We encourage you to use the service as an alternative to your community of faith's regular Sunday service, and offer your worship team a Sabbath Sunday. The service will be available on the [Northern Spirit Region YouTube channel](#), where you will be able to play the video from there, or share it on your own YouTube channel. It will also be available on Google Drive, so that those with a slower connection can download it in advance. The download link will be emailed in the Regional Council E-Newsletter during the week before the service.

Dr. Ross Bartlett, Director of United Church Formation, and Adjunct Professor at Atlantic School of Theology, is conducting a study of the experiences and conditions of the growing number of bi-vocational and part-time ministers within The United Church of Canada. Some estimates suggest that over 40% of clergy will be serving in part-time appointments/calls by 2030. Yet we know very little about this rapidly growing group. Dr. Bartlett is hoping to provide the church with a baseline of data from which to consider a wide range of its governance and employment policies. More information can be found [here](#).
