### **Take Action in Support of Palestinian Mission and Service Partner**

Six leading, respected Palestinian civil society and human rights organizations have been extraordinarily and suddenly designated as "terrorist organizations" by the Israeli government. [Defence for Children International-Palestine](#), a United Church Mission and Service partner, is one of the six organizations. This means all their activities are now banned, and it authorizes the Israeli government to close their offices, seize their assets, and arrest and jail their staff members. It also prohibits funding or even publicly expressing support for their activities. Imagine this happening to your Community of Faith, your Regional Council office, or the General Council offices. To consider what you can do, please see this [action invitation](#) posted on the United Church's United Network for Justice and Peace in Palestine and Israel (UNJPPI) webpage, and a [letter from Michael Blair](#), United Church General. Please consider sending a short email to your Member of Parliament, and to the new Foreign Affairs Minister, the Hon. Mélanie Joly ([Melanie.Joly@international.gc.ca](mailto:Melanie.Joly@international.gc.ca)).

### **Save the Date: VST Sunday**

January 30 has been designated as VST Sunday 2022. For several years, Vancouver School of Theology has been organizing VST Sunday, a day when students, faculty, staff and alumni head out into the worshipping communities and share in worship. VST folks blend into the church service as clergy wish: a faculty member may preach, a student may offer a prayer, and during pre-pandemic times, the VST person would stand at a table with VST "swag" during coffee time to chat about the school and give away pens! The pandemic has shown us that so much is possible with live and pre-recorded faculty and student options (sermons, testimonials and/or prayers), and to do live Zoom. Interested? E-mail [Julie at VST](#).

### **44<sup>th</sup> General Council in 2022**

Asking Jesus' question to his disciples, "Who do you say I am?", General Council 44 is meeting in virtual space in 2022. This venue will offer some exciting challenges and opportunities. Plans are well underway. If you are a Commissioner, Youth Forum Participant, invited guest, or someone who wants to know what is being planned, visit the GC44 Website: <https://generalcouncil44.ca>. As many Canadians begin to see the way out of the COVID-19 pandemic through vaccines, The United Church of Canada is adding a [vigorous advocacy campaign](#) to its [COVID-19 Global Response](#) and continuing to ask people to financially support global partners dealing with the ongoing pandemic. ACT Alliance, a global coalition of churches, notes that Global South nations will reach herd immunity levels only in 2024, if ever. The new chapter of the COVID-19 Global Response appeal asks people to [advocate](#) with the Canadian government for more vaccine sharing; [donate](#) to the ongoing appeal; and show solidarity by [buying a vaccine](#) for someone in the Global South (you can do this as a gift, and even choose when the gift is delivered. [Click here for the summary page](#). Please share and consider prayerfully what you or your Community of Faith might offer.
