**What are Clusters and Networks? How do the people of Northern Spirit get involved?**

**Clusters** generally share the same geography- though in our Regional Council that area can cover a very large territory. They often focus on ministry support, and can include ministry personnel only, lay people only, or be shared by both. Some Clusters focus on a particular concern shared by others in the same geographic area, such as worship, right relations between Indigenous and non-Indigenous people, being LGBT Affirming, and more.

**Networks** are more topic or concern-focused, and may cover much wider geography. Many cross provincial or Regional boundaries.

The name isn't really important; it's the ministry and community we create that's most important. The Regional Council has a budget you can access to support your work. Don't be shy- contact the office for more information. And please help us keep this list up to date!

**So far, Northern Spirit Regional Council includes the following Clusters and Networks:**

The mission of the network is "Support/Advocacy, Education, Fellowship, and Engagement" with the wider United Church. The network wants to support one another and partner with wider networks within the UCC to advance the mission of the UCC. Contact: Rev Taeil Yang, [tiyangca@gmail.com](mailto:tiyangca@gmail.com)

**Korean Rainbow United** is a network of The United Church of Canada for Korean queer people and allies, with involvement and leadership in our Regional Council.
