Celebrate National Affirming/PIE Day on Tuesday March 14, 2023! Why PIE? PIE = Public. Intentional. Explicit. This year, a number of PIE Day events are on offer, reflecting the 2023 theme, Year of Intention. Financial and Ministry Assessments

Have you completed your Financial and Ministry Assessment yet? These provide valuable information to the Region, and help connect Communities of Faith with the resources they need. [To access the forms, click here](#). If you are unsure whether your Community's Assessment has been completed already, or if you have any further questions, please contact the Northern Spirit Regional Office.

In Case You Missed It:

Streaming It Forward

A large number of Communities of Faith in the region are now publicly live-streaming or posting recordings of their church services -- thanks covid ;). One of the opportunities this creates is that churches without in-person worship leadership can still gather and watch a church service on a screen in their sanctuary as an alternative to bringing in pulpit supply. Here's an idea: if your church regularly streams another congregation's service, consider sending them a donation as a note of appreciation for their online ministry.

Accessing Minutes for Mission/ Your Generosity Matters 2023

Sharing stories about Mission & Service's important work is a key part of life in our denomination. Thank you for consistently telling these amazing stories of meaning making and lives transformed through gifts given to Mission & Service. A reminder that booklets are no longer mailed to congregations, but instead you can access content in a few different ways. Please contact Vicki at vnelson@united-church.ca with any questions.

The downloadable PDF of the 2023 Your Generosity Matters booklet is available at UCRD [right here](#). And [watch this page for a print copy you can order](#) (not available yet, as of late January 2023). There are also [weekly stories on the United Church website](#). These can be printed out, and are free to use wherever and whenever you like. Finally, the God's Mission, Our Gifts: Philanthropy e-News is a great way to get monthly updates. United Church sponsors over 100 people seeking refuge

With the help of the Refugee Advisory Group and hundreds of volunteers from many communities of faith across the country, the United Church submitted applications to sponsor 171 refugees from overseas in late 2022. This was a very fast process that demanded a lot of work.

Of the 171, 12 are Blended Visa Office-Referred (BVOR), 6 are LGBTIQ2+, 9 are stateless, and 53 are Afghani, with 30 through the Operation Afghan Safety (OAS) program. Refugees were sponsored by communities of faith across the country, including Vancouver, Calgary, Edmonton, Regina, Toronto, and Ottawa. [Read the full story](#). Deep gratitude to all who worked hard in the weeks before Christmas to prepare a welcome or to prepare for a difficult and life changing move to Canada.

Overall update on refugee sponsorship

The national church does not know how many allocations we will receive for 2023, but we will most likely receive this information by mid-year. We therefore encourage communities of faith who want to continue to be involved in the refugee program to consider sponsoring LGBTIQ2+, BVOR (including LGBTIQ2+), and Joint Assistance Sponsorship (JAS) cases, as there is no limitation on how many can be sponsored under these categories. [Please see the latest Refugee newsletter for more details](#).

Embracing the Spirit grants on pause; lots of other options available to your ministry

A number of ministries in our Regional Council have benefitted from Embracing the Spirit grants over the years. As The United Church of Canada embraces the exciting transition into the new strategic plan it will pause some current granting opportunities, including Embracing the Spirit (Innovation, Growth, and New Ministry Grants). However: please read on, because there are still many, many national grants available to your ministry. [Please click here for an overview](#).

Cost of living changes

A reminder that on December 21 Community of Faith treasurers and administrators received

information regarding the outcome from the triennial review of cost of living group assignments. The revised [cost of living group assignments data is here](#). Northern Spirit data begins on p. 22 of the document called "Revised COL Group Assignments 2022". [Have a look at our website for more information](#); this is a national process, and the Region is sharing this as information only.
