Visiting Ministry Personnel* (Sunday Supply)

From time to time, Ministry Personnel may be invited to provide worship leadership and preaching, pastoral care and visitation, and/or other services to a Community of Faith. These services are intended to cover only one or two Sundays or weekends at a time.

The minimum daily rate for 2026 is **$261.00**, which covers a full working day, or portion thereof. In addition, the Community of Faith must reimburse visiting Ministry Personnel for travel and related expenses as necessary.

This rate is applicable to ordered Ministry Personnel only. The General Council has no authority to establish rates of compensation for lay people engaged by a congregation, including Designated Lay Ministers and Licensed Lay Worship Leaders**. This information is found on the *Licensed Lay Worship Leaders and Designated Lay Ministers* list, found on our [Worship Resources](#) page.
